Thanks for the update, Dave.

Looking forward to our internal EPA call Monday at 1pm (eastern).

1/23/14 Meeting Update

Attendees

EPA: Dennis, Opalski, Psyk, Croxton, Anthony Barber (EPA's Oregon Operations Office Director) Oregon: Dick Pederson (ODEQ Director), Greg Aldrich (under ODEQ reorg he is equivalent to a Deputy), Richard Whitman (Governor's Office, by phone)

As a general matter, it was a constructive, frank conversation with a good sharing of perspectives that improved understanding of all parties.

Outcomes: Interest in sharing with NWEA an EPA/ODEQ combined vision of future State program (with EPA support).

Non-Responsive

Oregon to put in writing what the state plans to do relative to:

a)

Non-Responsive

b) CZARA: State repeated claim they made in our December meeting that they are working on programmatic changes to address CZARA items, but they were still not able to discuss those changes at this time.

c)

Non-Responsive
